

## **Curated Learning Resources: Transitioning to Leadership**

Stepping into leadership is more than getting a title, it's a transformation. This Skill Package teaches emerging leaders the mindset, habits, and skills to inspire trust, empower others, and navigate the unique challenges of the transition from peer to leader. Packed with actionable strategies, real-world insights, and step-by-step guidance, this resource helps you start strong, build credibility, and lead with confidence. Whether you're brand new or leveling up your leadership, you'll learn how to establish clear communication, let go of the need to know it all, and focus on enabling your team's success. With practical tools for habit-building, relationship-shaping, and fostering a culture of trust, you'll create momentum from day one and lay the foundation for long-term excellence.

### **Key Takeaways:**

- A clear, actionable checklist for new supervisors navigating the transition from peer to leader
- Strategies for avoiding the micromanaging trap
- How to use input to equip and empower your team
- How adopting an other-focused mindset builds trust, engagement, and influence
- Six practical steps that help build leadership confidence
- The three overlooked hurdles that derail new leaders
- The habits that are the foundation of your leadership legacy
- The power of good questions
- A powerful morning ritual that sets the tone for intentional leadership

### **The Transitioning to Leadership Skill Package Includes:**
